### Forfeited Game

- 2212** The Governor will notify the WKMHA Vice-president within two weeks of all forfeited games. The WKMHA Vice-President will then issue a letter to the offending Association's Executive and the Governor (for statistical purposes) notifying them of the forfeiture. On games that are forfeited, a score of 3 to 0 will be given to the non-offending team for statistical purposes.

## REGULATION FIVE – PENALTIES/SUSPENSIONS

- 2220** No person under suspension can participate in any capacity, for any team or association. If this is proven, the team concerned shall forfeit its points for those games in which the suspended person participated. In addition, further disciplinary action may be taken against the offending person and team officials.
- 2225** Teams are responsible for reviewing score sheets. In the event that a player or coach has a penalty or misconduct that results in a game suspension, it is the responsibility of the team to ensure that the suspension is served. Failure to serve suspension will result in the head coach of the team being suspended one (1) game for every game the suspended player has played while under suspension.
- 2226** Suspensions taken on behalf of the association or team prior to any suspensions given by West Kootenay shall be considered as part of the suspension time served. The team shall notify the Division Governor of any voluntary suspensions given by the team or respective association.

### Match/Gross Misconduct

For the purpose of serving suspensions, WKMHA will recognize only games that are sanctioned by BC Hockey, as in the case of tournaments, and/or have a game number assigned (sanctioned) by the league scheduler. Ad-hoc make-up games will not be recognized.

#### 2235

- (a) **GAME MISCONDUCT** (Refer to Hockey Canada official Rule Book)  
In Minor and Female Hockey, any player or team official, who is assessed a Game Misconduct in the last ten (10) minutes of regulation time, or any time in overtime, or at the conclusion of the game and prior to the player or team official entering his dressing room, shall automatically be suspended for a minimum of the next regular league, playoff, or sanctioned game or seven (7) days, whichever comes first.
- (b) **MISCONDUCT**

### Disciplinary Suspensions

- 2236** The purpose of disciplinary suspension is to reduce major penalties and misconduct penalties. The penalty statistics for individual players will be monitored, and at the discretion of the WKMHA President, in consultation with the Division Governor, disciplinary suspensions may be administered.
- (a) All incidents occurring during pre-game warm up or at the end of a game will be reported to the WKMHA President and disciplinary suspensions may be imposed.
- (b) After a player or team official has received three (3) major penalties and/or misconduct penalties, each specific incident will be reviewed (game reports, game sheets, etc.). Depending on the severity of the incidents, the player may receive a disciplinary suspension of one (1) game. This will be the next league, exhibition, tournament, playoff or sanctioned game.
- (c) After a player or team official has received another three (3), or a total of six (6), major penalties and/or misconduct penalties, each specific incident will again be reviewed. The player may then receive a disciplinary suspension of two (2) more games. This will be the next two (2) league, exhibition, tournament, playoff, or sanctioned games.

- (d) When a player or team official has received another three (3) more, or a total of nine (9), major penalties and/or misconduct penalties, a review of the player's penalty history will be conducted. Once reviewed, specific disciplinary suspensions will be administered by the WKMHA President on a case by case basis.
- (e) A player incurring five (5) or more penalties in one (1) games will receive an automatic game ejection and game suspension for his/her next scheduled game or ten (10) days. If the fifth (5<sup>th</sup>) penalty is misconduct in the last ten (10) minutes, it will be a two (2) game suspension. A double minor penalty will count as one for the purposes of this rule.

- 2241** No team shall be allowed to compete in district or provincial playoffs if this team has not completed its league schedule without WKMHA approval.

## REGULATION SIX – LEAGUE WINNERS AND PLAYOFFS

### Hockey Canada Registered Teams (Rep)

#### League Winners

- 2250** Upon completion of league play, standings will be determined as follows:
- (a) Most points obtained during league play.
  - (b) If two (2) or more teams are tied for any position, the standings will be decided by the WKMHA tie-breaking formula as follows:
    - i) The team winning more games against the other team during league play.
    - ii) If still tied – the team with the most wins during league play.
    - iii) If still tied – the team with the most goals scored against the other team during league play.
    - iv) If still tied – the team with the least penalty minutes accumulated against the other team during league play.
- 2251** The league winner (whether designated Tier 1, Tier 2, Tier 3, or Tier 4) will be awarded the WKMHA Rep League banner.

#### Playoff Format

- 2255** The playoff format will be the same in all divisions and categories. All playoffs will be a first team to four (4) points series (2 points for a win, 1 point for a tie, 0 points for a loss). All semi-finals will be first (1<sup>st</sup>) vs. fourth (4<sup>th</sup>) and second (2<sup>nd</sup>) vs. third (3<sup>rd</sup>), except where there are less than four (4) teams in a division. In this case, the first (1<sup>st</sup>) place team will get a bye and second (2<sup>nd</sup>) will play third (3<sup>rd</sup>) with the winner playing off against first (1<sup>st</sup>) place.
- 2256** All playoff games shall be three (3) regular twenty (20) minute stop time periods. There will be no overtime in the first three (3) games. In the event of a tie in points after the third (3<sup>rd</sup>) game of the playoffs, then a fourth (4<sup>th</sup>) game will be played. The location of this game is to be determined by a coin toss before the start of the first (1<sup>st</sup>) game of the playoff series, so that ice can be booked. In the case of a tie at the end of regulation time of the fourth (4<sup>th</sup>) game, the puck shall be faced off at center ice and the play shall continue with a ten (10) minute sudden victory overtime period. If the score remains tied after the sudden victory ten (10) minute overtime period, the teams would take the normal between period break and return to play twenty (20) minute sudden victory periods. If ice time is not available, then schedule another game with the location determined by a coin toss.
- 2257** The team finishing highest in league play will have the extra home game and when ice time permits, this shall be the first (1<sup>st</sup>) game. When ice time is not available, the first (1<sup>st</sup>) game may be played at the lower finisher's arena, but in that event, the next two (2) games will be at the arena of the higher placed finisher. When ice time is not available for the second (2<sup>nd</sup>) game, it may be played in the same arena as the first (1<sup>st</sup>) game and the higher placed finisher will host the third (3<sup>rd</sup>) game, if necessary and ice is available. The Division Governor shall make the final decision on this rule.
- 2258** Guidelines: Two (2) weeks prior to the end of the season, the top three (3) or four (4) teams are to submit a three-(3)-game playoff schedule to the Division Governor for approval. The first round is to start by the weekend following the final weekend of league play with the final round possibly being rescheduled due to unforeseen circumstances (2 or 4 games needed). Each round will have a maximum of eight (8) days to play. The eight (8) days to play any round after the first, starts the day after completion of the previous round. Mid-week games are to start no later than 6:30 p.m., unless a later start is agreed to by both teams and approved by the Division Governor.

### Recreational Teams (House and Atom)

#### League Winner

- 2270** Upon completion of league play, standings will be determined as follows:
- (a) Most points obtained during league play.
  - (b) If the teams play an unbalanced schedule, where teams have not played the same number of games, the winning percentage would determine the final standings, not total points. This is determined by the following formula:  
(Total points obtained by team)

(Total points available to team)

- (c) If two (2) or more teams are tied for any position, the standings will be decided by the WKMHA tie-breaking formula as follows:
- i) The team winning more games against the other team during league play.
  - ii) If still tied – the team with the most goals scored against the other team during league play.
  - iii) If still tied – the team with the least penalty minutes accumulated against the other team during league play.

#### Playoff Format

- 2275** All teams must participate in league playoffs. Failure to participate in league playoffs will result in a fine to the team's association of five hundred dollars (\$500.00)
- 2276** WKMHA house playoff formats shall be used for all playoffs. Divisions with ten (10) or more teams will be tiered for the playoffs using overall league team standings. The Division Governor will make recommendations for the tiering split for approval by the WKMHA Board at the last WKMHA meeting prior to playoffs. Use winning percentage if divisions are not balanced. Higher finishing teams in one tier and lower finishing teams in another tier. Higher finishing teams will play the lower finishing teams in their tier. There will be no overtime in round-robin games. If the final games are tied after regulation time, then play five (5) minutes sudden victory stop-time overtime. If still tied, go to a 3-shooter total point shoot-out. Repeat shoot-out as necessary until one team wins. Whole roster must shoot before any shooters can repeat.
- 2277** Game format shall be the same as used during regular league play.
- 2278** Upon completion of play within the groups, the group standings will be determined as follows:  
(a) Most points obtained in group play.  
(b) In the event teams are tied for a position, use **BC Hockey Policy 8.03 – COMPETITION FORMAT AND RULES.**
- 2279** The hosting association must submit a preliminary playoff schedule and a budget to the Division Governor for approval no later than January 15th. Teams will be slotted into the schedule after the final league standings are available. League standings will be finalized within twenty-four (24) hours of league completion. One (1) week after the playoff is complete; the hosting association is to submit a final financial statement to the Division Governor.
- 2280** Division Governors will be reimbursed for costs for attending WKMHA playoffs – mileage (minimum 50 km.), hotel and meals (as per BC Hockey).
- 2281** House playoff games will not be played prior to 4:00 p.m. on Fridays. An exception would be considered if both teams and the Division Governor are in agreement.
- 2282** Repealed.
- 2283** All round-robin play must be completed by Saturday night.
- 2284** Playoff dates will be determined at the August WKMHA meeting, and playoff host associations will be determined at the October WKMHA meeting. Prospective host associations must state their interest to host in writing prior to the October WKMHA meeting through both the WKMHA President and WKMHA Secretary. Prospective host associations must confirm that they have sufficient ice available to host playoffs within the timeframe specified in Rule 2281, or provide the dates and times of early games if required. The ability of an association to host playoffs within the timeframe specified in Rule 2281 will be taken into account when approving host associations.

### **Social Media Guidelines**

**2720** WKMHA Social Media Guidelines

The following are suggested guidelines to be followed by WKMHA when dealing with social media issues as they come to light. Please ensure that all avenues available to associations have been exhausted before coming to the WKMHA Executive for further action. These guidelines apply to all minor hockey members (players, parent, coaches, officials).

1. A complaint must be submitted in writing and signed by the home association where the complaint originated, and by the home association that the complaint is about.
2. Due diligence is to have been done by the association(s). An investigation will have taken place on both sides and a meeting between the parties is to have taken place in order to facilitate resolution between the two parties.

If the issue cannot be resolved by the association(s) meeting on their own and discussing the issue, the following steps will be taken:

1. The association(s) will submit a complaint in writing to the WKMHA President.
2. A committee will be formed. It will comprise of the WKMHA President, one WK Executive Member, Association President(s), head of Association(s) investigation committee(s), and representative(s) from each party involved.

3. All information pertinent to the issue gained in the investigation by the association(s) will be submitted to the WK committee within 14 days of the complaint being submitted to the WKMHA Executive.
4. The WKMHA Committee has 14 days from the date the information is submitted to meet and make their decision. This decision will be made based on the information submitted.
5. The minimum penalty from WKMHA is three games for social media threats. This number can be made higher at the discretion of the committee and is to be served as soon as the Association(s) is(are) notified. Individuals other than players and bench staff will be assessed on a case by case basis.
